

SUE IOANIS

New York City Metropolitan Area • s70550687@gmail.com

To obtain a challenging role utilizing my technological aptitude, strong work ethic, creative problem solving, and software engineering background.

PROFESSIONAL EXPERIENCE

- Lead Software Engineer (Full-Time) — Mastercard**2022–2023
 - Engineered complex system integrations, owned technical problems across services, and built scalable applications.
 - Promoted engineering best practices and improved software reliability workflows (DevOps, CI/CD, Automation, Code Reviews, Secure Software Engineering, Production Support, & Performance Optimization).
- Senior Software Engineer, ICS (Full-Time) — JPMorgan Chase**2022
 - Engineered resilient technology solutions supporting enterprise business needs and scalable software engineering.
- Senior Software Engineer (Full-Time) — OkCupid**2020
 - Engineered customer-facing software features and collaborated to improve platform performance and user experience.
- Senior Software Engineer (Full-Time) — LeafLink**2019–2020
 - Delivered software solutions supporting business-critical platform capabilities and improved service reliability.
- Software Engineer, Resy (Full-Time) — American Express**2018–2019
 - Engineered, coded, and shipped software supporting digital customer experiences and stable technical systems.

SOFTWARE EXPERTISE

Core Engineering: Software Engineering, Full Stack Engineering, Systems Engineering, CI/CD & Automation
Architecture & Scale: Secure Software Engineering, Application Building, API Production
Leadership & Reliability: Scalable Systems, Production Support & Reliability, Performance Optimization, Technical Leadership & Agile

EDUCATION

- Rutgers University - New Brunswick:** Bachelor's, Technology Degree, Dean's List
- MIT Media Lab:** Executive Data Strategy Course (100% Completion)
- University of London:** Corporate Strategy, Certificate of Completion

HONORS & AWARDS

- The French Honors Society
- IBM Honors for Machine Learning
- Cognizant Technology Solutions Award
- The FWA Award
